Dear [member_name_first]:

Do you know J&J?

And how would you like to get out of 1099R processing forever??

PenChecks is proud to exhibit at the SunGard APC again this year! Stop by our booth (#3) and you can meet Joyce & Judy! Together (or separately) they'll tell you the secret to making your life easier!

Here is a hint... it has to do with the fact that PenChecks Family of Companies is dedicated to making distribution processing as easy and profitable as possible for our clients. PenChecks can custom tailor any solution that fits your specific needs with specialized services including:

- Participant benefit election processing
- Any plan payments
- Missing Participant and Default Auto Rollovers
- Recurring benefit payments
- Uncashed check solutions
- All tax withholding and reporting requirements
→ Keep your clients free of the Form 8109 elimination mess! Not sure what that means? Ask us!
- 1099 generation and
- Abandoned Plan services

... just to name a few.

And as a bonus, you can ask us about our 3rd Generation Online User Software due out later this year. Let us make your life much easier!

Safe travels and we look forward to seeing you in Orlando.

Sincerely,
PenChecks, Inc.

Or, if you 're anxious, call or visit us online before then!
